

The Parents and Students Guide to Google Classroom

What is Google Classroom?

Think of Google Classroom (GC) as your child's digital link to learning.

Teachers use Google Classroom to share assignments, homework, newsletters, and much more with students

Getting Started

You child was provided with a school computer username (ending in .211) and a password. Their google email address is this username followed by @langdonpark.org For example: abdap837.211@langdonpark.org

Getting Started

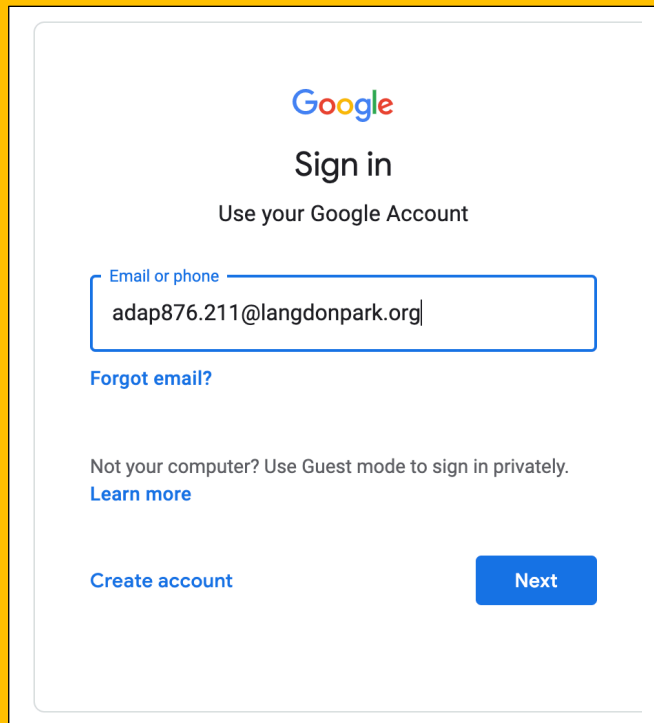

1

In your web browser go to this website:-

classroom.google.com

It is advised to use Google Chrome.

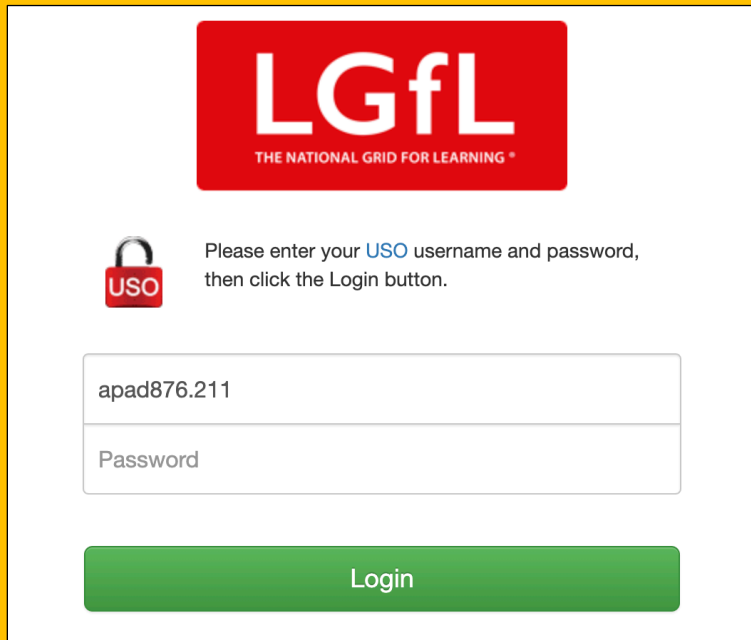

Getting Started

A screenshot of the Google sign-in interface. At the top is the Google logo. Below it, the text 'Sign in' is centered, followed by 'Use your Google Account'. A text input field is labeled 'Email or phone' and contains the email address 'adap876.211@langdonpark.org'. Below the input field is a link that says 'Forgot email?'. Further down, there is a line of text: 'Not your computer? Use Guest mode to sign in privately.' followed by a link 'Learn more'. At the bottom left is a link 'Create account', and at the bottom right is a blue button labeled 'Next'.

2

Type in your school
Email address e.g.
abdap834.211@langdonppark
Then click “next.”

Getting Started

A screenshot of the LGfL login interface. At the top is the LGfL logo with the tagline 'THE NATIONAL GRID FOR LEARNING'. Below it is a lock icon with 'USO' and a message: 'Please enter your USO username and password, then click the Login button.' There are two input fields: the first contains 'apad876.211' and the second is labeled 'Password'. A green 'Login' button is at the bottom.

LGfL
THE NATIONAL GRID FOR LEARNING ®

 Please enter your **USO** username and password, then click the Login button.

Navigating Classroom

In the stream tab you can see all teacher notifications and a list of assignments. Sort of like a social media feed. The most recent item will be at the top.

= High Interest for Parents

The screenshot shows the Classroom app interface for a class named '3rd hour Science'. At the top, there are navigation tabs: '3rd hour Science' (1), 'Stream' (3), 'Classwork' (4), 'People' (5), a 'Waffle Button' (6), and 'Your account' (7). The 'Stream' tab is selected, showing a header with the class name and an illustration of tools. Below the header, there is an 'Upcoming' section (8) with a post about a deadline. A text box for sharing updates is also present. At the bottom, a section (9) allows users to view class updates and connect with their class. A legend at the bottom right explains the numbered callouts.

- 1 Menu of Classes
- 2 Current Class
- 3 Announcements Page
- 4 Assignments
- 5 Teacher(s) & Classmates
- 6 Waffle Button (App Directory)
- 7 Your account
- 8 Upcoming Assignments
- 9 Updates from your teacher

Navigating Classroom

Click on the
classwork section to
see the topics and
tasks

The screenshot shows the Classroom interface with the following elements and callouts:

- 1** Classwork Tab
- 2** See your Grades
- 3** See Due Dates
- 4** View your files
- 5** Topics available
- 6** Topic Headings
- 7** Assignment Title
- 8** Assignment Due Date
- 9** Assignment Status
- 10** Attached files/links
- 11** Click to view assignment

The interface displays the 'Classwork' tab, showing a list of topics including 'Benchmark Tests' and 'Daily Lesson Files'. The 'Daily Lesson Files' section shows an assignment titled 'For the Week of September 2 - 6' with a due date of 'Due Today'. Below the assignment title, there are four PDF files: 'Day 1 - Multistep Equatio...', 'Day 2 - Variables on Both...', 'Day 3 - Infinite & No Solu...', and 'Day 4 - Algebraic Propor...'. A 'View Assignment' button is located at the bottom of the assignment card.

Completing an Assignment

Click an
assignment then
select view
assignment

The screenshot shows a Google Classroom interface with the 'Classwork' tab selected. At the top, there are links for 'Stream', 'Classwork', and 'People'. Below these are links for 'View your work', 'Google Calendar', and 'Class Drive folder'. The main section is titled 'Activities for Years 7, 8 and 9'. Under this, there is a card for 'Remote Learning Lessons' with a 'No due date' label. The card contains the text: 'Posted 18 Mar', 'Assigned', and 'Open up the document called Remote Learning Plan KS3. This contains all the links and instructions for the next 5 lessons. Your progress should be documented, as explained in the instructions, in the attached document called Remote Working Progress.' Below this text are two document thumbnails: 'Remote Working Plan KS3 Google Docs' and 'Year 8 Test - Remote Wor... Google Docs'. At the bottom of the card is a link that says 'View assignment'. A red arrow points from the text box on the left to this link. Below the first card, there is another card for 'Computer Science Activities' with a 'No due date' label. At the bottom of the page, there is a section titled 'GCSE Computer Science - Challenge Program...' with two sub-cards: 'Trinket Tutorials' and 'Python Tutorials and Challenges', both with 'No due date' labels.

Completing an Assignment

Your teacher will explain the task here and may attach a document for you to look at here.

The screenshot shows a digital assignment interface. At the top, it says 'Remote Learning Lessons' with a '100 points' indicator. Below this, the teacher's name 'Theresa Brosnan' and the date '18 Mar' are listed. The main instruction area contains text about opening a document and a link to 'Remote Working Plan KS3' (Google Docs). A 'Class comments' section is visible below the document link. On the right side, there is a 'Your work' panel with an 'Assigned' status, showing a document 'Year 8 Test - Rem...' (Google Docs) and buttons for '+ Add or create' and 'Hand in'. Below this is a 'Private comments' section with a text input field and a submit button.

Remote Learning Lessons 100 points

Theresa Brosnan 18 Mar

Open up the document called Remote Learning Plan KS3. This contains all the links and instructions for the next 5 lessons. Your progress should be documented, as explained in the instructions, in the attached document called Remote Working Progress.

Completing an Assignment

Your teacher may attach a document to the assignment, for you to add your answers. This will appear in the your work section

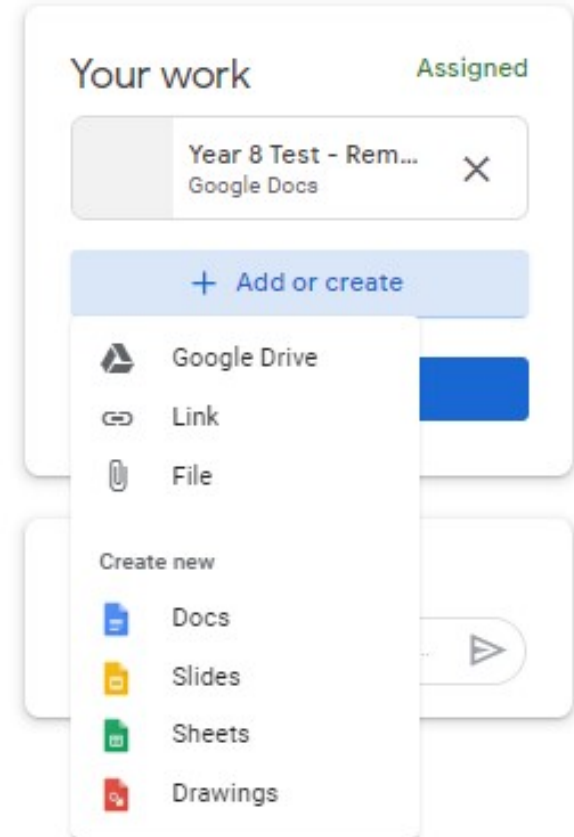

Completing an Assignment

You can click into this document and add work to it. Once you are finished click hand in. You can also send a private comment to your teacher

The screenshot shows a user interface for submitting work. It features a section titled 'Your work' with a status indicator 'Assigned'. Inside this section, there is a list of documents, currently showing 'Year 8 Test - Rem...' from 'Google Docs' with a close icon. Below the list is a button labeled '+ Add or create'. At the bottom of the 'Your work' section is a prominent blue button labeled 'Hand in'. Below this section is a 'Private comments' area, which includes a user profile icon and a text input field labeled 'Add private comment...' with a send icon.

Attaching work to an Assignment

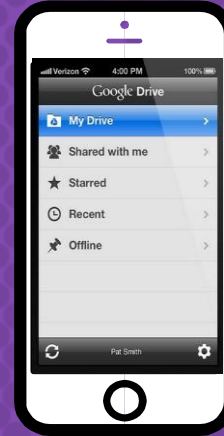

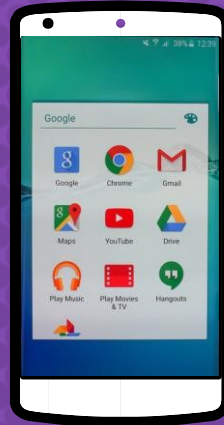

You can also attach work that you have completed by clicking add or create. To upload from your computer click file and then browse your computer for your work file. You can also create a blank doc, slides etc and add content to that file
