18th November 2020

Dear Parent / Carer

Unfortunately, due to extensive staff shortages as a result of the coronavirus pandemic we have made the decision to ask Year 8 students to stay at home on Thursday 19th and Friday 20th November. They should return to school at normal time on Monday 23rd November.

I am sorry to be in this position, but in the current circumstances, as I am sure you will understand, my utmost priority has to be the health and safety of the staff, the students and the whole community,

If you are a key worker and need your child to be in school please contact us.

I very much appreciate the inconvenience of your child not being in school and the disruption to their learning. In the days your child is not in school they should be following their lessons via Google Classroom.

If you do have any questions do contact the school.

Yours sincerely

Mr N Langham
Head Teacher
