Anti- Bullying Campaign

Last term, we focused on kindness, being inclusive and having empathy for those around us. Understanding others' feelings and perspectives ensures that we treat everyone how we want to be treated.

In light of Anti Bullying week, we will be having a shoutout wall to celebrate these acts of kindness and inclusivity.

Is there someone that has impacted your life in a positive way?
Is there anyone that you would like to recognise?

Anti- Bullying Campaign

Faiza edits a photo she has of herself and her friend Jessica to make them look funny and sends the photo to Jessica and their other friend Fiona over WhatsApp. Fiona adds two of their other friends to the group chat, who then can see the edited photo. Members of that group chat then tease Faiza and Jessica about the edited photo.

- 1.How would Fiona know that her 'banter' has become hurtful and therefore not banter?
- 2.How could Jessica and Faiza stand up for themselves?
- 3.How would the bystanders be able to help?
