

Professionalism - Inclusion - Pedagogy - Curriculum

HOME - SCHOOL AGREEMENT

Attendance

We expect you:

- To take seriously your legal obligation to ensure your child attends school. We will always inform you of any alteration in times of the school day.
- To avoid arranging family holidays during term time.
- To ensure that you do not keep your child at home to look after younger brothers or sisters.
- To keep an eye on patterns of illness in your child. Check if a pattern of missed lessons or homework is involved.

Punctuality

We expect you:

- To ensure that your child leaves home early enough to arrive at school on time. Your child should be in school by 8.30am

Uniform

We expect you:

- To ensure that school uniform and equipment is marked clearly with your child's name. Check uniform regularly for wear and tear.

Every Day

We expect you:

- To remind your child to pack their bag the night before, and always check if any special equipment/clothing (e.g. for PE) is required for the next day.

Every Week

We expect you:

- To check your child's planner, and sign it, preferably at the beginning of each week.

Communication

We expect you:

- To check school bags for letters sent via student post, please make sure you sign and return promptly all letters from the school which have a reply slip attached.
- To attend Progress Review Days, and other parent/teacher evenings. We text you and send a letter by post and with your son/daughter to remind you about these.

Care of school property

We expect you to support the school in our campaigns against:

- Litter
- Graffiti (on books or elsewhere in and around the school)
- Any non-accidental damage to school's or any other student's property

Relationships

We expect you:

- To encourage your child to regard members of staff and other students in school in a positive manner; you are part of the authority group. It's easier to maintain a united front. Please contact the school if you are dissatisfied.

We do not tolerate

- Foul and/or abusive language
- Disrespect to any individual inside or outside school
- Any action, word or behaviour on the streets or public transport which brings the school a bad name in the community
- Fighting
- Bullying
- Carrying of any item that can be used to harm or intimidate others

We expect your support

- As parents you are the first moral educator of your child. The school will expect you to correct your child's conduct if they are involved in anti-social behaviour. As a school, we expect high standards which will benefit all students. All the staff at Langdon Park School ask for your practical cooperation in supporting the work of the school.
